Cobra - 17X9 – Aluminum – 5-spoke.

Cobra Optional Standard on Mystichrome - 17X9 – Aluminum - 5-spoke chrome finish.

**Tires:** Proper size and style for year and model. See the wheel and tire guide, above.

**-Concours-driven or trailered:** Proper **size and speed rating for year and model, then no deduction.**

- Wrong size: 4 point deduction

- Wrong speed rating: 4 point deduction

**- Unrestored:** Proper **brand, size, and same or higher speed rating for year and model** no deduction.

- Improper brand: 4 point deduction

- Improper size: 2 point deduction

- Improper speed rating: 2 point deduction

**- Thoroughbred:** proper **make, model, size, and date code** (date precede assembly date of car) for **year and model**, no deduction.

- Improper make: 2 point deduction

- Improper size: 2 point deduction

- Improper date code: 2 point deduction

### **Date Codes:**

Look for “DOT” on the tire followed by 10-12 characters:

- 1999: 3-digit code. First 2 digits are the week of manufacture; the last digit is the year within the decade. Ex.: 329 = 32d week of 1999.

- 2000 to 2004: 4-digit code. First 2 digits are the week of manufacture; the last two digits are the year within the decade. Ex.: 2804 = 28th week of 2004 or July 2004
