FROM OUR PRESIDENT

I want to thank the First Tennessee Regional Group for their fine hospitality shown to me on April 9th while I attended their April meeting at Anderson Ford in Kingsport. They have very up and coming active group and if their group is any indication of the future, then out World.

I want to personally invite each and every one of the Mustang Club of America to bring his guests and Mustang to Stone Mountain, Georgia for the 2nd Annual National Meet to be held August 5-6-7. Those of you who are not familiar with Stone Mountain Park, this is a beautiful recreation facility with many forms of entertainment for all members of your families and friends.

As this is the 2nd Annual Meet, it will be larger and bigger than the first.

We have totally re-organized the Mustang Club of America and hope that this re-organization and new slate of officers will provide the membership with a club that you can benefit from and be proud of. Any suggestions will be appreciated and will be given due consideration. Please send to my personal attention.

GARY GODDARD, PRESIDENT
